Catherine,

Sorry for all the pushbacks you have had to do on the renegotiation sent for IBV2. My mind has been with Aldicarb and I forgot about all the things I needed to check before moving a renegotiation form forward. I will go back and make sure my team addresses all the actions you have sent back.

Shanta

I am returning this renegotiation. The PRIA due date was in September but it was only negotiated in December, with no additional explanation. Also, there is no documentation of registrant concurrence attached to the form.

Best,
Catherine
